Statement of Qualifications

If you are interested in applying for this position, you must complete a Statement of Qualifications and submit it with your State application, form std. 678, by the final filing date. The Statement of Qualifications can be found on our website at: <http://www.calottery.com/about-us/careers>

Duties

Under the direction of the Supervising Lottery Agent, the Investigator's responsibilities include:

- Independently conduct complex and sensitive criminal, civil and administrative investigations and collect information for the Lottery
- Conform to modern law enforcement practices to identify and locate victims, witnesses, and suspects.
- Investigate complaints and allegations of administrative misconduct of retailers, claimants, distributors, suppliers and contractors to the Lottery
- Conduct retailer on-site compliance checks
- Interview suspects and witnesses, work with informants, make arrests and testify in state and federal court as required
- Provide physical building access for Lottery district offices and other security related to Lottery operations
- Assist with internal and new employee background investigations
- Fingerprint new Lottery retailers, contractors and employees

Desirable Qualifications

Applicants applying for this position should:

- Be proficient in computer systems and software
- Possess in-depth knowledge of investigative procedures and techniques and have an aptitude for evaluating information (including computer data)
- Have experience with conducting interviews and/or interrogations of suspects, witnesses and victims, and properly documenting investigations in writing (reports)
- Have experience in conducting investigations of robberies, burglaries, possession of stolen property crimes, stolen/forged checks, altered/forged documents, and similar Part-2 property crimes
- Possess a valid POST academy certification or a POST Basic Certificate
- Be willing to work overtime and travel at any time (including out-of-state, overnight, and national)

Who Should Apply

Applicants must be state employees who are currently in the Investigator classification, have transfer eligibility, or on a current eligible list for appointment to this classification. Applications will be screened and only those that best meet the requirements of the job will be considered. Appointment is subject to the provisions of SROA/Surplus.

Equal Opportunity Employer: The California State Lottery is an equal opportunity employer to all regardless of race, religion, ancestry, disability, age, sexual orientation, color, creed, national origin, sex, marital status or political affiliation.

Background Investigation: The California State Lottery Act provides that no person may be hired as an employee of the Commission if that person has been
